

MEMORANDUM SLIP

To the following in order indicated:

1	Col. McCormack	(Initials)
		(Date)
	Gen. Osman	(Room No.)
3		

Remarks:

Herewith is Staff Study prepared by Col. Lovell for General Bissell.

The only action which has been taken to my knowledge is on the Memorandum for the Chief of Staff to establish the Pacific Military Intelligence Research Section marked by paper in the enclosed sheaf.

This paper has been successfully passed through G-1 who made a slight modification in the allotment of grades and through G-3 who submitted it to the Deputy A. C. of S. recommending that the grades, ratings, and vacancies be taken from the War Department 5 Staff Group Allotment.

The grapevine reports that the paper has an excellent chance of being approved by Gen. McNarney.

*Personnel, however, apparently have
to be sweated out of M I S.
A. M. C.*
